

COMMEMORATIVE BENCH AND TREE PROGRAM

Leisure Legacy Incorporated's Commemorative Bench and Tree programs enable families and friends to honor their loved ones in unique and heartfelt ways. A beautiful park bench, personalized with a bronze plaque, may be purchased to serve as a lifelong remembrance. Planting a tree is a wonderful way to provide a living memorial to a loved one. Trees are a great gift and help improve the quality of life in Roanoke County. Let the memory continue to grow; consider the gift of trees.

Your donations include a custom bronze plaque inscribed with a personal sentiment or name, and placement of the bench or tree in a park or along a greenway in Roanoke County. Whether a particular park holds special memories or symbolizes your loved one's values, this long lasting memorial will share those sentiments with all who visit the park.

Leisure Legacy along with Roanoke County Parks, Recreation and Tourism will take care of all the details, the installment of the bench or tree and its maintenance. Your loved one's memory will then become a part of the County's unique and beautiful landscape.
